

## STORM WINDOW TIMELINE

Raising the necessary funds swiftly and working efficiently, we look forward to completing Phase I and Phase II of the storm window campaign by winter of 2010. This covers the 138 windows on the west wing of the Mount. We will repair, paint & recaulk in Phase I.

Phase II is to purchase & install new storm windows

## IN GRATITUDE

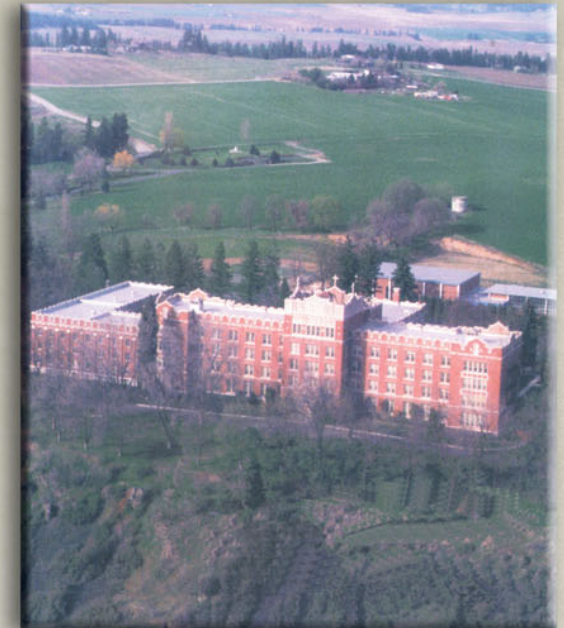

The Religious, Staff and Students at Mount Saint Michael will honor the faith and generosity of those who contribute to restore and preserve the magnificence of our historical buildings.

## GIVE THE GIFT OF A LIFETIME

In 2015, Mount Saint Michael will celebrate the 100th anniversary of its beloved church, which has been a wonderful blessing to generations.

Moreover, Mount Saint Michael itself, finished in 1915, has been awarded historical status, but is desperately in need of repair. Therefore, it is time to restore and preserve our beautiful, historic building and other structures for "The Next 100 Years!"

Placing our trust in God, we have found renewed faith. We are working together to build a consensus from a host of ideas and opinions.

Our goal is to create a restoration plan that preserves and enhances St. Michael's Church and Academy. Now we must raise the funds to achieve our goal and begin the restoration project for 2010:  
STORM WINDOW CAMPAIGN 2010
